

Medgar Evers College Health Services Office Immunization Form

For information regarding free immunization provided by the New York State Health Department, please call (212)349-2664.

Name _____ Social Security # _____ / _____ / _____

Address _____

Phone _____ Birth Date _____ Sex Male Female

Parent/Guardian Name _____ Phone (____) _____ - _____

Address _____

Dear Student: _____
State Law requires that College students born on or after January 1, 1957, must present proof of immunity against Measles, Mumps, and Rubella.

MEASLES

Two doses of live measles vaccine administered on or after January 1, 1968 and 12 months of age; second dose to be administered at least 28 days after the first dose; or physician documentation of measles disease; **or a blood test** showing immunity to disease.

MUMPS

One dose of live mumps vaccine administered after 12 months of age and on or after January 1, 1969; or physician documentation of mumps disease; **or a blood test** showing immunity to disease.

RUBELLA

One dose of live rubella vaccine administered after 12 months of age and on or after January 1, 1969; or a **blood test** showing immunity to disease. **NOTE:** A history of having had rubella is not acceptable proof of immunity.

EXEMPTIONS:

- => All students born before January 1, 1957, Proof of age required - copy of a birth certificate or driver's license.
- => Documentation of medical contraindications by a physician.
- => Documentation of sincere religious belief which prohibits immunization.

Please have your doctor/clinic fill out all applicable sections below and return to the address indicated **before** registration. Failure to comply with this request will block your registration and/or make you ineligible to attend class and may affect financial aid. Immunization forms **MUST** be returned no later than two weeks before your **scheduled registration date**.

A physician or a licensed health care practitioner must complete the following section. A medically documented history of the measles, mumps, and positive rubella titer is acceptable instead of immunization.

VACCINATION REQUIREMENTS	MEASLES	MUMPS	RUBELLA
First dose given on or after 1/1 /68 and <i>on</i> or after first birthday			
First dose given on or after 1/1/69 and on or after first birthday			
Second dose given on or after 15 months of age			
Date and history of disease			
Laboratory report of blood test with levels and date			

I certify that the above named student has received the above immunizations or has a clinical history or laboratory evidence of immunity as indicated.

Physician Signature/Stamp required _____

Address: _____

1150 Carroll Street, Brooklyn, NY 11225 ♦ Telephone (718) 270-6075 ♦ Fax (718) 270-6241**

- **Note: Please secure a copy of your own and submit original to us.**

Student Affairs/Health Services

Don't Let MEASLES, MUMPS, OR RUBELLA Keep You Out of College!

As of Spring 1993, Medgar Evers College has required that **all students comply** with **New York State's Public Health Law 2165.**

This law requires that college students **born on or after January 1, 1957** present proof of immunity against Measles, Mumps, and Rubella. Acceptable proof must indicate one of the following:

1. Two doses of measles vaccine administered on or after January 1, 1968 and after 12 months of age. Second dose to be administered at least 28 days after the first dose.

One dose of live mumps vaccine administered after 12 months of age and on or after January 1, 1969.

One dose of live rubella vaccine administered after 12 months of age and on or after January 1, 1969.
2. Blood test (titer) showing immunity to all three diseases, including lab report with range of positive.
3. If the student is not able to access his/her immunization record from the medical provider or previous school, documentation that proves the student attended primary or secondary school in the United States since 1980 will be sufficient proof that the student received one dose of live measles vaccine.
4. ALL students born **before** January 1, 1957, need to submit proof of age by means of a copy of a birth certificate or driver's license, after which they are legally exempt.

OTHER EXEMPTIONS

- Documentation of medical contraindications by a physician.
- Documentation of religious belief that prohibits immunization.

Please submit your proof of immunization to the Medgar Evers College Health Services Office. If you have any questions please contact the Center:

Location: Carroll Street Building Room M-20
