Corporate Counseling Associates
People it forward.™

With the holiday season behind us, it's time to bring spending back within normal limits. And now is the best time to re-evaluate what those limits need to be for 2008. This is not a chore to ignore. Thankfully, your work-life service is able to provide financial resources and referrals, helping you make sense of spending, and make *life less complicated!*

Call **800-833-8707** or visit **www.cuny.edu/worklife** for assistance anytime, any day.
