## AA Liberal Arts

**30** CUNY Common/Flexible Core Credits

**30** Major Credits (including Core, Electives & Concentrations if applicable)

The degree map is a term-by-term sample course schedule to make it easier for you to understand how to graduate in four years with this major. The Degree Map is a tool to assist you and your advisor in planning your academic path to graduation. Use it along with the program of study information for your major to discuss your academic plan with your advisor. Students are encouraged to consider pursuing a minor through the selection of electives. Your specific program of study could, and probably will, look different. You need to customize the Degree Map to fit your situation. Consult with your advisor about the best path for you.
