

ARS MEASURE 5: GRADUATION RATES BY PROGRAM: 2017-2021

The SOE 2021 graduate numbers (N=38) remained consistent when compared to 2020 (N=39) and remained significantly higher than 2019 (N=21). The dual-certificate degree programs (CSE and ECSE) continue to be the favored programs among completers. Among the EPP's 2021 completers, 47% graduated with ECSE degrees, 50% with CSE degrees, and 3% with a CE degree. Cumulative GPAs of graduates ranged from 3.0 -3.9.
