Frequently Asked Questions

What is the current interest rate of Federal Direct Student Loans?

For the 2022-2023 school year, the interest rate for Borrowers is 4.99%. *** (Each loan also has an origination fee which is automatically deducted from your gross loan amount by your lender. **For the 2022-2023 school year the origination fee is 1.057% for all loans disbursed on October 1, 2022).**

When do I start repaying my student loans?

If you're attending school at least half-time (6 credits), you have a period of time after you graduate, leave school, or drop below half-time status before you must begin repayment. This period of time is called a "grace period". The one-time grace period for a Federal Direct Loan(s) is six (6) months.

- **SUBSIDIZED LOAN:** During the grace period, you do not have to pay any principal and you won't be charged interest.
- **UNSUBSIDIZED LOAN:** You do not have to pay any principal, but you will be charged interest. You can either pay the interest as you go along or you may choose to defer payments until later, but remember that the interest will continue to accrue, and will later be capitalized.

How can I check the status of my Student Loans?

You can log into your CUNYfirst account by visiting: <https://home.cunyfirst.cuny.edu> to see the status of your loan. You may also contact your loan servicer. If you do not know who your loan servicer is, you may log into: www.nsls.ed.gov - using your FSA ID (Username) or verified Email Address & Password - to find out.
