Re: Credit Inquiries

The College has been advised by the Corporation Counsel that it should secure written permission from every member of the staff before giving out any information concerning the individual to private individuals or organizations. This would include routine credit inquiries, requests for information made in connection with banking arrangements and numerous other inquiries which result from some actions members of the staff initiate in their own interest.

In as much as the number of inquiries received in a period of a year is considerable, it is felt that it is not feasible to get in touch with the individuals each time such inquiry comes in. Therefore, the general release below is presented for your consideration. After this release is signed by you, we will be able to process such inquiries immediately. In the event that you sign the "Non-Release", you will be required to sign a specific release for each inquiry sent to us.

We request that you ask that you ask all persons or organization with whom you do business to make their inquiries by mail on their regular printed forms or stationery and not by telephone. It is the College's policy to give no information concerning members of the staff over the telephone to anyone who may call.

If you have any questions regarding this matter, please call this office.
