I would like to warn our users regarding a phishing email containing a link to a malicious website targeting the capture of **CUNYfirst credentials**.

The fraudulent email was received on another campus. Please report to helpit@mec.cuny.edu if you receive such email and please don’t click on the link.

If you responded to the phish by clicking on the link and, **you must change your CUNYfirst password immediately** by going to https://managelogin.cuny.edu/ and clicking on “Manage your CUNY Login Account” link.

**The link to the malicious website (defanged) is:**

hXXps://templatesbazaar.com/halimaaziz/Chesscharity/ssologin.cuny.edu.html
