Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Center's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Center's internal control. Accordingly, we express no such opinion. Management's Discussion and Analysis

June 30, 2020

The intent of the Management Discussion and Analysis (MD&A) data is to provide readers with a comprehensive overview of Ella Baker/Charles Romain Child Development Center, Inc. (the Center) financial position as of June 30, 2020, and the changes in its net position for the year ended. The MD&A is designed to focus on current activities, resulting in changes, and relevant facts. The document should be read in conjunction with the accompanying audited financial statements and related notes.

Financial Highlights

- Net position decreased by \$4,579 or 1%.
- Operating revenue increased by \$168,768 or 24%.
- Operating expenses increased by \$66,950 or 8%.

Financial Position

The Center's net position is determined by the difference between the assets and liabilities. This mechanism is also an effective tool to measure the Center's financial health. A primary indicator of the Center's fiscal health is evident in the increases and decreases in its net position over time.

Statements of Net Position

The following summarizes the Center's assets, liabilities and net position as of June 30, 2020 and 2019, under the accrual basis of accounting:

	<u>2020</u>	<u>2019</u>	Dollar <u>change</u>	Percent change
Total current assets	\$ <u>486,818</u>	400,708	86,110	21%
Total liabilities	<u>163,960</u>	73,271	90,689	124%
Total net position	\$ <u>322,858</u>	<u>327,437</u>	<u>(4,579</u>)	(1%)

At June 30, 2020, the Center's total net position decreased by \$4,579 or 1% when compared to the previous year.

At June 30, 2020, the Center's total current assets increased by \$86,110 or 21% compared to the previous year. The majority of this variance is primarily attributed to the increase in cash and equivalents of \$319,166 and a decrease in total accounts receivable of \$231,997 due to the late payment of the grants receivable and receivables from related parties.

Management's Discussion and Analysis, Continued

At June 30, 2020, the Center's total liabilities increased by \$90,689 or 124% compared to the previous year. The accounts payable and expense accruals increased primarily due to the timing of operating expenses.

There were no other significant or unexpected changes in the Center's assets and liabilities.

The following illustrates the Center's net position at June 30, 2020 and 2019 by category:

Net Position

Statements of Revenue, Expenses, and Changes in Net Position

The statements of revenue, expenses and changes in net position represent the operating results of the Center, as well as the nonoperating revenue and expenses, if any. The major components of revenue and expenses for the years ended June 30, 2020 and 2019 are as follows:

Revenue

			Dollar	Percent
	<u>2020</u>	<u>2019</u>	<u>change</u>	<u>change</u>
Operating revenue:				
Grants	\$ 535,133	356,708	178,425	50%
CACFP	14,458	8,821	5,637	64%
Tuition and fees	14,963	37,105	(22,142)	(60%)
Student Faculty Association	26,118	33,688	(7,570)	(22%)
Donated space and services	291,582	273,138	18,444	7%
Other income	4,115	8,141	(4,026)	(49%)
Total operating revenue	\$ <u>886,369</u>	<u>717,601</u>	<u>168,768</u>	24%

Management's Discussion and Analysis, Continued

The Center's total revenue for the year ended June 30, 2020, amounted to \$886,369, an increase of \$168,768 or 24%, compared to the previous year. A major contributing factor to this variance is the increase in grants and donated space and services in the amount of \$178,425 and \$18,444, respectively. Grants increased mainly due to the Federal C-Campus grant in the amount of \$152,057 and the increase in the Federal Block Grant (FBG) in the amount of \$46,551. Federal C-Campus grant increased due to the federal award of a three year grant to the Center. FBG increased due primarily to students' parents meeting the qualification, so there was an increase in the number of grants awarded. These increases were offset by decreases in Universal Pre-K's grant and tuition and fees in the amount of \$59,950 and \$22,142, respectively. Universal Pre-K's decreased due to the decline in enrollment. Tuition and fees decreased due to the cancelation of in-person classes due to the COVID-19 pandemic.

The following illustrates the Center's revenue, by source, for the year ended June 30, 2020:

Grants and donated space and services represent 60% and 33%, respectively, of the total revenue.

There were no other significant or unexpected changes in the Center's revenue.

Total expenses	\$ <u>890,948</u>	<u>823,998</u>	<u>66,950</u>	8%

Total expenses for the year ended June 30, 2020, amounted to \$890,948, an increase of \$66,950 or 8%, compared to the previous year. The major component of the variance is related to an increase in other expenses and donated space and services in the amount of \$33,008 and \$18,444, respectively. Other expenses increased primarily due to the upgrade of the security system for the Center. Donated space and services in board members.

There were no other significant or unexpected changes in the Center's expenses.

Economic Factors That May Affect the Future

The Center receives a substantial amount of its support from grants and donated services by the College. A significant reduction in the level of this support, if it were to occur, could have a significant effect on the Center's programs and activities.

Notes to Financial Statements

June 30, 2020 and 2019

(1) Nature of Organization

Ella Baker/Charles Romain Child Development Center, Inc. (the Center) is a not-for-profit organization formed to encourage, plan, organize, develop and operate quality childcare and early childhood education program that will benefit Medgar Evers College (the College) students and employees. The primary sources of revenue are grants, including the New York City tax levy allocation, the City University of New York Child Care, Federal Child Care Development Block Grant and donated occupancy and services.

(2) Summary of Significant Accounting Policies

- (a) Basis of Accounting
 - The Center's accounting policies conform to accounting principles generally accepted in the United States of America (GAAP) and applicable Governmental Accounting Standards Board (GASB) pronouncements.
 - For financial reporting purposes, the Center is considered to be a special-purpose entity engaged only in business-type activities. GASB defines business-type activities as activities financed in whole or in part by fees charged to external parties for goods or services. Accordingly, the accompanying financial statements have been prepared using the economic resources measurement focus and the accrual basis of accounting in accordance with GAAP, as prescribed by GASB. For financial reporting purposes, the Center is also considered to be a discretely presented component unit of the University, as defined by GASB.

(b) Net Position

The Center's resources are classified into the following net position categories:

<u>Net investment in capital assets</u> - Capital assets, net of accumulated depreciation, and outstanding principal balances of debt, if any, attributable to the acquisition, construction, or improvement of those assets.

<u>Restricted - non-expendable</u> - Net position subject to externally imposed stipulations requiring the Association to maintain them in perpetuity.

<u>Restricted - expendable</u> - Net position whose use is subject to externally imposed stipulations that can be fulfilled by the actions of the Center or the passage of time.

<u>Unrestricted</u> - All other net positions, including net position designated by actions, if any, of the Center's Board of Directors.

At June 30, 2020, the Center had no net investment in capital assets and no restricted net position.

(c) Cash and Equivalents

For purposes of the statements of cash flows, the Center considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

(d) Grants Receivable

Grants are recorded as revenue to the extent that expenses have been incurred for the purpose specified by the grantors. Revenues from contracts are subject to audits and negotiations between the Center and the funding sources. Grants receivable are recorded when earned.

(e) Receivables

Receivables are charged to bad debt expense when they are determined to be uncollectible based upon a periodic review of the accounts by management. Accounting principles generally accepted in the United States of America require that the allowance method be used to recognize bad debts; however, the effect of using the direct write-off method is not materially different from the results that would have been obtained under the allowance method.

(f) Tuition and Fees

Tuition and fees are recorded based on rates for units of service.

(g) Contributions

Contributions are recognized when the donor makes an unconditional promise to give to the Center. Contributions that are restricted by the donor are reported as increases in unrestricted net position if the restrictions expire within the fiscal year in which the contributions are recognized. All other donor-restricted contributions are reported as increases in restricted - expendable or restricted - non-expendable net position depending on the nature of the restrictions. When a restriction expires, the restricted - expendable net position is reclassified to the unrestricted net position.

(h) Donated Space and Services

Donated services are recognized as contributions if the services create or enhance nonfinancial assets or require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Center. Donated space is recognized based on the fair value of the rental. The time expended by members of the Board of Directors and other volunteers is known as contributions in the June 30, 2020, and 2019 financial statements.

(i) Revenue Recognition

Revenue is recognized when earned. The Center derives a portion of its revenue from fees billed to students whose children are provided daycare services. The Center received revenue from CUNY for providing child daycare services for children of students enrolled at the College. Additionally, the Center received an allocation from the Child Care Development Block Grant and revenue from the NYC-UPK Program.

(j) Functional Allocation of Expenses

The cost of providing services has been summarized on a functional basis. Accordingly, certain costs have been allocated among the program and supporting services benefited based on direct usage.

(k) Subsequent Events

The Center has evaluated subsequent events through the date of the report, which is the date the financial statements were available to be issued.

The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences of the COVID-19 on a national, regional and local level are unknown, but has the potential to result in a significant economic impact. The impact of this situation on the Center and its future results and financial position is not presently determinable.

(1) Income Taxes

The Center is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code); therefore, no provision for income taxes is reflected in the financial statements. The Center has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code. The Center presently discloses or recognizes income tax positions based on management's estimate of whether it is reasonably possible or probable that a liability has been incurred for unrecognized income taxes. Management has concluded that the Center has taken no uncertain tax positions that require adjustment in its financial statements. U.S. Forms 990 filed by the Center are subject to examination by taxing authorities.

(m) Reclassifications

Reclassifications have been made to certain 2019 balances in order to conform them to the 2020 presentation.

(3) Cash and Equivalents

Custodial credit risk of deposits is the risk that the Center's deposits may not be returned in the event of a bank failure. At June 30, 2020, \$69,292 of the Center's bank balance was exposed to custodial credit risk as it was uninsured and uncollateralized.

(4) Donated Space and Services

The Center recognizes donations of services if the services received: (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The Center operates on the campus of the College, and as such, utilizes space and certain services made available to it. For the years ended June 30, 2020 and 2019, the estimated fair value of space utilized was \$107,898 and \$102,760, respectively. In addition, College employee salaries donated to the Center totaled \$183,684 and \$170,378, respectively, for the years ended June 30, 2020 and 2019. The combined amounts have been recorded as donated services and recognized as both revenue and expenses in the accompanying statements of revenue, expenses and changes in net position and functional expenses. Donated and intended voluntary services that do not meet the above criteria are not recognized.

(5) Grants

A summary of grant revenue for the years ended June 30, 2020, and 2019 are as follows:

	<u>2020</u>	<u>2019</u>
Federal Development Block	\$ 93,392	46,841
New York State	189,767	150,000
New York City UPK	99,917	159,867
Federal C-Campus	<u>152,057</u>	
	\$ <u>535,133</u>	<u>356,708</u>

(6) Contingency

The Center receives a significant amount of its support from New York State, the City University of New York Child Care, Federal Child Care Development Block Grant, and the New York City UPK Program. A significant reduction in the level of this support, if it were to occur, could have a significant effect on the Center's programs and activities.

(7) Accounting Standards Issued But Not Yet Implemented

GASB issued Statement No. 95 - "Postponement of the Effective Dates of Certain Authoritative Guidance" in May 2020. This Statement has the primary objective of providing temporary relief to governments and other stakeholders in light of the COVID-19 pandemic. That objective is accomplished by postponing the effective dates of certain provisions in Statements and Implementation Guides that first became effective or are scheduled to become effective for periods beginning after June 15, 2018, and later. Earlier application of the provisions addressed in this Statement is encouraged and is permitted to the extent specified in each pronouncement as originally issued. Disclosures below have been updated accordingly.
