The Board of Directors Medgar Evers College Educational Foundation, Inc.:

# Report on the Financial Statements

We have audited the accompanying financial statements of Medgar Evers College Educational Foundation, Inc. (the Foundation), which comprise the statements of financial position as of June 30, 2020 and 2019, and the related statements of activities, functional expenses, and cash flows for the years then ended, and the related notes to financial statements.

# Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

## Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the Foundation's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Medgar Evers College Educational Foundation, Inc. as of June 30, 2020 and 2019, and the changes in its net assets and its cash flows for the years then ended, in accordance with accounting principles generally accepted in the United States of America.

# Notes to Financial Statements

June 30, 2020 and 2019

# (1) Nature of Organization

- The Medgar Evers College Educational Foundation, Inc.'s (the Foundation) purpose is to support and advance the activities and missions of Medgar Evers College (the College) of The City University of New York (CUNY) in its academic, cultural, research and public service programs; and to promote and encourage interest and support for these programs serving the students, faculty, administrative staff, alumni and others in the College community. Although the Foundation is a separate and independent legal entity, it carries out operations integrally related to CUNY and, therefore, are discretely presented as a part of CUNY's financial reporting entity.
- The Foundation was organized exclusively for charitable, educational and scientific purposes and shall not facilitate any activities impermissible by a corporation exempt from Federal income tax under Section 501(c)(3) of the Internal Revenue Code (the Code) as a publicly supported organization described in Section 509(a) of the Code.

# (2) Summary of Significant Accounting Policies

# (a) Basis of Accounting

The Financial Statements are prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America.

## (b) Basis of Presentation

The Foundation reports information regarding its financial position and activities according to two net assets classes: net assets without donor restrictions and net assets with donor restrictions. Net assets without donor restrictions represent resources available for the general support of the Foundation's activities. Net assets with donor restrictions are those whose use has been limited by donor-imposed stipulations that either expire by passage of time or can be fulfilled by actions of the Foundation.

# (c) Use of Estimates

The preparation of financial statements in accordance with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect specific reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

## (d) Cash and Equivalents

For the statements of cash flow, the Foundation considers all highly liquid debt instruments purchased with a maturity of three months or less to be cash equivalents.

# Notes to Financial Statements, Continued

## (2) Summary of Significant Accounting Policies, Continued

# (e) Investments

CUNY holds the Foundation's investments in an investment pool under the control of the Committee on Fiscal Affairs of the Board of Trustees of CUNY (the Committee). Several investment advisory firms are engaged to assist the Committee in its Investment Pool portfolio management, comprised of cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds and foreign bonds. Realized and unrealized gains and losses are included in the statements of activities as changes in net assets without donor restrictions unless their use is restricted by explicit donor stipulations or by law.

# (f) Fair Value Measurements

A framework has been established for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted quoted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). Quoted prices determine level 2 assets whose contributions to the valuation methodology for similar assets in active markets. The Foundation classified investments as level 2 in the fair value hierarchy.

# (g) Equipment and Depreciation

Equipment stated at cost at the date of acquisition or fair value at the date of the contribution if donated. The Foundation defines, for the purposes hereof, capital assets as an asset with a useful life of at least two years and a cost or value at the time of receipt of \$5,000 or more for computer hardware and all other equipment and furniture and fixtures. Depreciation is computed using the straight-line method over the estimated useful life of the asset and is not allocated to the functional expense categories. The estimated useful life of furniture, fixtures and equipment is five years.

# (h) Revenue

- Contributions, including unconditional promises to give, are recognized as revenue in which the gift is made. Hopes to give are recorded at their estimated net realizable value discontinued to present value.
- All contributions are considered available unless specifically restricted by the donor or subject to other legal restrictions. Amounts received that are designated for future periods or restricted by the donor for specific purposes are reported as net assets with donor restrictions. However, when a restriction is fulfilled in the same period in which the contribution is received, the Foundation reports the support as net assets without donor restrictions.
- Revenue collected prior to year-end, relating to future events of the subsequent year, is recorded as deferred revenue.

## Notes to Financial Statements, Continued

# (2) Summary of Significant Accounting Policies, Continued

- (i) Functional Expenses
  - The costs of providing the Foundation's various programs and other activities have been summarized on a functional basis in the statements of activities and the statements of functional expenses. All expenses related to providing these services have been allocated to program services, except for certain administrative expenses. Office and other costs are allocated based on direct usage.

## (j) Subsequent Events

- The Foundation has evaluated subsequent events through the date of the report, which is the date the financial statements were available to be issued.
- The United States is presently in the midst of a national health emergency related to the COVID-19 virus. The overall consequences of the COVID-19 on a national, regional and local level are unknown, but has the potential to result in a significant economic impact. The impact of this situation on the Foundation and its future results and financial position is not presently determinable.

# (k) Income Taxes

The Foundation is exempt from federal income taxes under Section 501(c)(3) of the Internal Revenue Code (the Code). Therefore, no provision for income taxes is reflected in the financial statements. The Foundation has been classified as a publicly supported organization that is not a private foundation under Section 509(a) of the Code. The Foundation presently discloses or recognizes income tax positions based on management's estimate of whether it is reasonably possible or probable that a liability has been incurred for unrecognized income taxes. Management has concluded that the Foundation has taken no uncertain tax positions that require adjustment in its financial statements. U.S. Forms 990 filed by the Foundation are subject to examination by taxing authorities.

## (1) Recent Accounting Standards Issued

In June 2018, the Financial Accounting Standards Board (FASB) issued Accounting Standards Update (ASU) 2018-08, "Clarifying the Scope of Accounting Guidance for Contributions Received and Contributions Made." ASU 2018-08 provides clarification for determining if grants and contracts should be considered contributions or exchange transactions, as well as guidance for determining if a contribution is conditional. This guidance is effective for fiscal years beginning after December 15, 2018. These financial statements and notes reflect adoption of this new standard.

# (m) Reclassifications

Reclassifications have been made to certain 2019 balances in order to conform them to the 2020 presentation.

# Notes to Financial Statements, Continued

# (3) Liquidity

The Foundation has \$1,386,921 of financial assets available within one year of the statement of financial position date to meet cash needs for general expenditures, consisting of \$1,311,494 of cash and \$75,427 of short-term investments. None of these financial assets are subject to the donor or contractual restrictions that make them unavailable for general expenditure within one year of the 2020 financial position statement.

## (4) Cash and Equivalents and Investments

- (a) Custodial Credit Risk Deposits
  - Custodial credit risk of deposits is the risk that the Foundation's deposits may not be returned in the event of a bank failure. At June 30, 2020, \$563,355, the Foundation's bank balance of \$1,313,355 was exposed to custodial credit risk as it was uninsured and uncollateralized.

# (b) Custodial Credit Risk - Investments

Custodial credit risk related to investments is the risk that in the event of failure of the counterparty of a transaction, the Foundation will not be able to recover the value of its investment portfolio that has that failed counterparty. At June 30, 2020, the Foundation's entire investment portfolio balance of \$549,972 was exposed to custodial credit risk, as it was uninsured and uncollateralized.

## (5) Investments and Investment Income

The Foundation's investments are held by CUNY in an investment pool, which is under the control of the Committee on Fiscal Affairs of the Board of Trustees of CUNY (the Committee). Several investment advisory firms are engaged to assist the Committee in its Investment Pool portfolio management, which is comprised of cash and cash equivalents, corporate bonds, equities, mutual funds, U.S. agency mortgage-backed securities, U.S. government bonds and foreign bonds. Realized and unrealized gains and losses are included in the statements of activities as changes in net assets with donor restrictions unless their use is restricted by explicit donor stipulations or by law. Investments in the CUNY investment pool as of June 30, 2020 and 2019 amounted to \$549,972 and \$527,631, respectively.

## (6) Donated Space and Services

The Foundation recognizes donations of services if the services received: (a) create or enhance nonfinancial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. The Foundation operates on the campus of the College and, as such, utilizes space and certain services made available to it. Donated space and services and promise to give services that do not meet the above criteria are not recognized. The estimated cost savings of \$219,896 and \$251,179 for the years ended June 30, 2020 and 2019, respectively, have been recorded as donated space and services. They are recognized as both revenue and expenses in the accompanying statements of activities.

#### Interpretation of Relevant Law

- The Board of Directors of the Foundation has interpreted New York Prudent Management of Institutional Funds (NYPMIFA) as requiring the preservation of the value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary and except in those cases where the law allows appropriation for the spending of the original gift amounts. As a result of this interpretation, the Board classifies as net assets with donor restrictions:
  - (a) The initial value of the gifts donated to the permanent endowment;
  - (b) The original cost of subsequent gifts to the permanent endowment; and
  - (c) The accumulation of investment return to the permanent endowment made under the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

#### **Return Objectives and Risk Parameters**

The Foundation utilizes a total return investment approach with its asset allocation diversified over multiple asset classes. Endowment return objectives are to equal or exceed, on an inflation-adjusted basis, composite benchmark results of approximately 5% over the long-term with a conservative to moderate risk level. To achieve this objective, the Foundation follows the strategy of weighing the asset allocation to higher-yielding asset classes, including equities and alternative investments, with marginally higher risk characteristics. The total return objective includes the funding of both the current year spending rate amount and the amount required to be retained according to the Board's interpretation of the law.

#### Spending Rate Policy

The Board utilizes a spending rate of 5% of the fair value of the endowment funds at the beginning of the fiscal year to determine its annual drawdown from the endowment.
