

Petition to the Academic Standards & Regulations Committee

The petition process exists to afford students with extenuating circumstances to seek accommodation from the college about a college requirement. The average time to receive the results of your petition is 4 to 6 weeks; this variance is due to the amount of time needed to contact others for information regarding your request. During the time you are waiting for a response to your request, you should assume that your petition has not been approved. Based on this assumption, you should settle all related debts with the college and/or register for and attend class accordingly. After a decision has been made on your petition, the result will be mailed to the address you provide on the petition. Please note: All petitions involving grade/transcript changes must be filed prior to your graduation from Medgar Evers College. Petitions requesting changes to the academic standards of Medgar Evers College because of poor course performance or failure to be aware of deadlines/requirements on the student's behalf will not be approved.

Grounds for Appeal

Appeals can only be granted on the following grounds

1.	You unofficially withdrew from a course(s) due to extenuating circumstances which can be documented.
2.	Course substitution or waiver of college-wide core course(s).
3.	There has been an irregularity in a grade you received for a particular course which casts reasonable doubt on the validity of the result. You will need to explain what irregularity has occurred and how it has affected your grade. You must submit a written response from the academic department for which you initially appealed/petitioned.
