

CAEP ACCOUNTABILITY MEASURE 2

CAEP Accountability Measure 2: Satisfaction of employers and stakeholder involvement.

Employer Surveys

The EPP shares an Employer Survey form for all program completers. Completers are encouraged, annually, to share the survey with their supervisors. Survey items align to the CAEP Standards. This survey is shared in June (after a full year of employment) and the data is not yet available. The deadline for all surveys (2023 completers) is September 15, 2024. Summary of data will be posted to the EPP's website by October 1, 2024.

Survey Items Include:

- 1) Based on your experience with this teacher, what best describes the extent to which they were prepared to meet the needs of the students in your school during the 2023-24 academic year?
- 2) Based on your experience with this teacher, rate their understanding of your curriculum and content.
- 3) Based on your experience with this teacher, rate their ability to employ best practices in culturally responsive pedagogy.
- 4) Based on your experience with this teacher, rate their ability meet the needs of exceptional learners in you school.
- 5) Based on your experience with this teacher, rate their ability to develop lesson plans using state standards; the school's curriculum; and research based-strategies.
- 6) Based on your experience with this teacher, rate their ability to systematically gather, analyze, and use all relevant data to measure students' academic progress, guide delivery methods and support, and provide timely feedback to students, caregivers, and other educators.
- 7) Based on your experience with this teacher, rate their ability to use available resources, routines, and procedures to ensure a student-centered environment that is respectful, positive, and safe.
- 8) Based on your experience with this teacher, rate their ability to demonstrate a commitment to all professional ethics.
- 9) Based on your experience with this teacher, rate their ability to communicate effectively.
- 10) Based on your experience with this teacher, rate their ability to collaborate with the learning community within your school (colleagues, caregivers, volunteers, etc.) to ensure optimal outcomes for all learners.
- 11) Based on your experience with this teacher, rate their ability to use assessment results to inform (and adjust) practice.
- 12) Based on your experience with this teacher, rate their ability to be reflective on their teaching and adapting to meet the needs of the learner.
- 13) Based on your experience with this teacher, rate their ability to use technology to enhance learning experiences.

CAEP ACCOUNTABILITY MEASURE 2

CAEP Accountability Measure 2: Satisfaction of employers and stakeholder involvement.

- 14) Based on your experience with this teacher, rate their ability to participate in professional growth.
