

# Career Management Services Center

## Supporters & Partners Guide

The Career Management Services Center welcomes working with various individuals and entities with the intention of providing our students with enhanced and robust experiences.

We offer a number of ways for you to build and develop a strong working relationship with us. We have a number of suggested opportunities that you can take advantage of. You can also let us know how you would like to get involved and create a personalized sponsorship program or partnership that fits your needs and expectations.

### Student Assistance

Our students can always benefit from having relationships outside of the CMSC and the college. Perhaps you would be interested in the following:

- Provide job shadowing opportunity
- Provide a corporate visit
- Provide mentorship / career coaching
- Conduct mock interview
- Provide industry specific resume review

### Direct Student Sponsorship

The CMSC works directly and closely with a number of outstanding students. We know their determination to achieve their academic and career goals. Students can often use support not provided by financial aid. You can help by choosing a student to sponsor. We will supply you with relevant information about students then you can choose how you would like to help. Listed below are some suggestions. Please call the CMSC for more information on how you can make a personal difference in the life of our students.

- Provide sponsorship to a leadership convention
- Provide a gift certificate redeemable for business attire
- Provide a scholarship / stipend
- Provide a book voucher
- Provide a gift certificate to an office supply store

### Department Sponsorship

These are some suggested opportunities to give general support to the CMSC office while promoting your business.

- Host a Networking Event or Information Session
- Sponsor the printing of CMSC publications with your logo prominently displayed
