DEGREE MAP: Recommended Sequence of Courses for the **Online BS in Financial Economics**

The following chart illustrates the BS eight semester curriculum which describes the CUNY General Education Core Requirements and progression through the major. The Major, Required, Flexible, and Medgar Evers College Option courses are listed on this degree map. *All courses in this program are online.* Additional electives will be developed for online delivery on an ongoing basis. Most courses are asynchronous, and a few are synchronous and require attendance at a certain time online.
